THE ROTATOR

ROTARY YEAR 2005-6 VOLUME 1 – ISSUE 3.

18TH. JULY 2005.

OUR GUEST SPEAKER : DGN ERROL WILDMAN

DGN Errol told us of his recent trip to the Rotary International Convention in Chicago. Errol returned with banners from a number of Rotary Clubs that he visited including Club Number 1 Chicago and West Shore in Victoria (Vancouver) Canada.

Errol showed us a number of photos including one with new RI President Carl-Wilhelm Stenhammer taken at Westshore.

Errol also advised that he expected Colleen from the West Shore Club to visit us later in the year and that that Club's major fund raiser was a chilli cookout.

More information can be gathered from www.westshorerotary.org.

Errol went on to describe the experiences he enjoyed at the Convention and of the opportunities going to the Convention provided.

Two videos were presented the first a snap preview of "Children of the Golden Triangle" describing the plight of those children.

The second video was on IFRAHL (International Fellowship of Rotarians Against Hearing Loss). This video detailed research into hair replacement (not for our hirsutely disadvantaged members) for the inner ear to ease hearing difficulties.

Both of these were thought provoking and worthy recipients of any considerations the Club might offer.

David Wheatley proposed the vote of thanks, presenting Errol with our usual Certificate of Appreciation

PRESIDENT'S NEWS

Vice President David Snow was standing in for Perry, who had a prior term engagement.

V.P. David welcomed guest speaker DGN Errol and his wife Janna, Geoff Kapernick our Assistant Governor along with Bill Kentish who was visiting his father Stow.

V.P. David expressed thanks on behalf of the Club to Martin who got Marina away last weekend despite her having left her passport behind in Toowoomba, and to the other David for the 'new look' Rotator.

Mary-Ann reported that GSE Team member nominations were required shortly so if members knew of any non-Rotarians, or a direct relation of a Rotarian, who are young professionals up to the age of 40 who would benefit from an opportunity to visit Argentina in May 2006 then nominations are required by 26 August 2005.

A Rotarian Team Leader is also required and nominations are also sought for this position.

Mary-Ann also read out a message from P.D.G. Richmond Manyweathers (D. 9750), the Immediate Past National RAM Co-ordinator. This message thanked the Club for its donation to 'Adopt a Village' in New Guinea, providing treated bed-nets and education to the villagers to control the incidence of malaria and help save lives. The adoption papers will be forwarded shortly from A.G. Ron Seddon the co-ordinator of the bed-net programme from the R.C. of Port Moresby (D.9600).

Mary-Ann will provide more information as it comes to hand.

(Editorial note : RAM = Rotary against Malaria.)

INTERNATIONAL SERVICE - COMMITTEE NEWS

After castigating his table mates for making coarse remarks about his current incapacitation, Rob McCormack introduced an innovation with an international toast.

Rob acknowledged the birthdate of international entrepreneur Richard Branson by proposing a toast to the Rotary Club of Moon Township in District 7300 in Pennsylvania, U.S.A.

(Editorial note: for the not so well informed Richard Branson's greatest ambition is to build a town on the moon)

Rob also introduced (pushed) the fund raising raffle for the Rotary Centenary watch and showed the watch. Mary-Ann circulated the tickets which were all sold raising approximately \$ 165 on the night, more to come. The funds raised are to assist with the costs of the Mitsukaido exchange visit. Many thanks to those who participated.

NEW GENERATIONS SERVICE - COMMITTEE NEWS

Bill Armagnacq brought us news of Patrice's exploits in Europe. Patrice our Youth Exchange student to Hungary reported having a great time with here fellow students touring Europe, visiting, amongst other places, Liege, Munich, Prague, Vienna, Salzburg, Florence, Monaco, Amsterdam and other places. (this poor editor could not keep up with all the place names let alone the spelling). Patrice reported having visited a brewery and the 'red light' district in Amsterdam, these things are all part of life's rich tapestry and will broaden Patrice's knowledge of many different cultures.

Patrice went on to report that on her return to Hungary she felt that she had arrived 'home' a fine sentiment and a great compliment to her host families who have made it so comfortable for her.

We look forward to future bulletins.

What ! a Joke ?

A man, his wife, and his mother-in-law went on vacation to the Holy Land. While they were there, the mother-in-law passed away.

The undertaker told them, "You can have her shipped home for \$5,000, or you can bury her here in the Holy Land for \$150.00."

The man thought about it and told him he would just have her shipped home.

The undertaker asked, "Why would you spend \$5,000 to ship your mother-in-law home, when it would be wonderful to be buried here and spend only \$150.00?"

The man replied, "A man died here 2000 years ago, was buried here, and three days later he rose from the dead.

I just can't take that chance.
